To Whom It May Concern:

The Downriver Community Conference (DCC) utilized the services of Sensible Business Consulting Group for our Professional Placement Network, a program for laid-off white collar workers. Sensible Business Consulting Group provided a number of workshops for us on Job Interviewing.

The workshops were exceptional. The presenters, Charles Johnson and Dr. Asare, were very engaging and the customer evaluations were excellent. Our customer base for the program consisted of college educated professionals, some of whom had been steadily employed for decades and needed a tremendous amount of coaching in this area to adequately and enthusiastically represent their advanced skills to potential employers.

I would highly recommend Sensible Business Consulting Group for any workshops of this type. DCC would definitely utilize their services again.

Sincerely,
